Open the application

**** Existing User**

If you are existing user from QiSoft@Club, you can use the existing login id and password, without sign up for new login id.

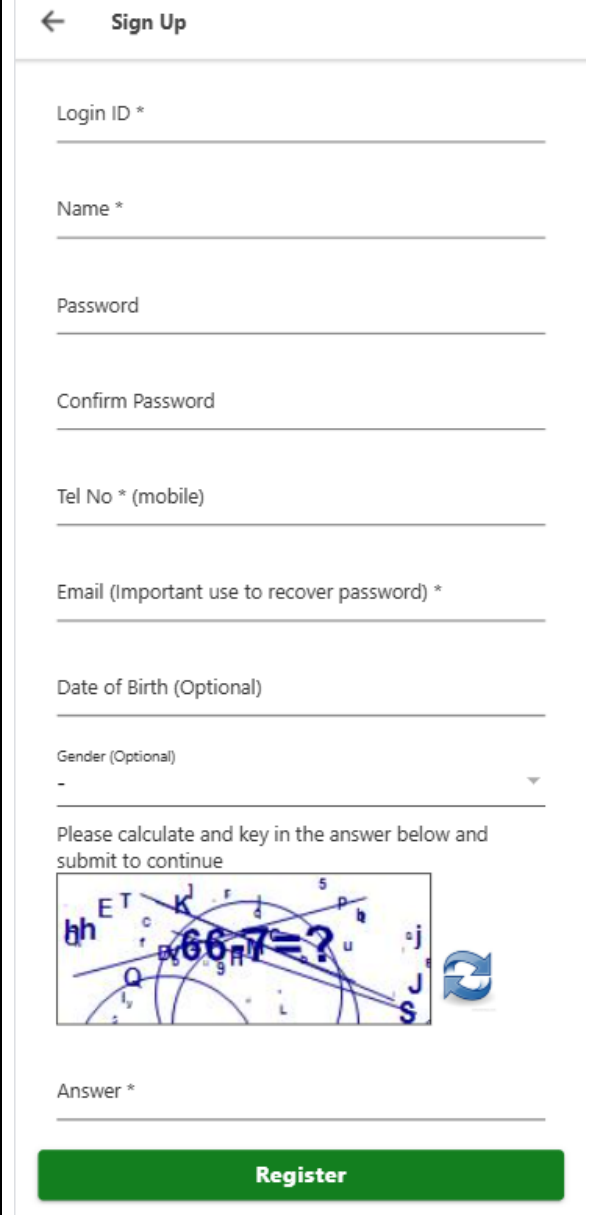

New User - Sign up a new login account

1. For first time users, click '**Sign Up**' to create new login accounts.

The login screen features the QiSoft logo at the top center. Below it are two input fields: 'Login ID' and 'Password'. A green 'Login' button is positioned below the password field. At the bottom, there are two links: 'Forget Password' and 'Sign Up'.

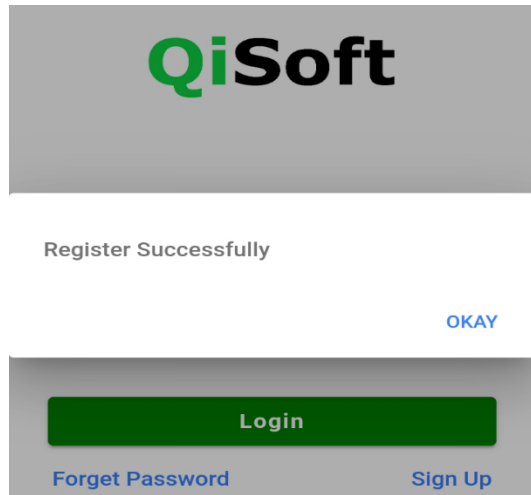

2. After press 'Sign Up', it will direct to create account screen, fill in the account info and calculate the math question and press 'Register'. Some club will give special rate for those have provided date of birth or Gender (example senior rate, ladies, Junior)

The sign-up screen is titled 'Sign Up' with a back arrow. It contains several input fields: 'Login ID *', 'Name *', 'Password', 'Confirm Password', 'Tel No * (mobile)', 'Email (Important use to recover password) *', 'Date of Birth (Optional)', and 'Gender (Optional)'. Below these fields is a math problem: 'Please calculate and key in the answer below and submit to continue'. The math problem shows a grid of letters with a blue path and the equation $66 - 7 = ?$. A green 'Register' button is at the bottom.
